were very happy when they arrived. Jim Lad had a map with an 'X' marked on the lightning tree where the treasure was but he had to get the treasure. Suddenly he and polly parrot noticed Red Hair Beard their worst enemy was on Dragon Island too. Red Hair Beard was following Jim Lad and polly parrot. Then Red Hair Beard tricked Jim Lad and polly parrot. Red Hair Beard turned the sign pointing to the jungle. Then they noticed they were in the jungle then and polly parrot ran out of the jungle. Jim Lad shouted "that was close!". At dusk Jim

Lead got the key and tiptoed back out of
the cave. He and Polly parrot went to the lightning
tree and digged until he found the treasure.
Then he and Polly parrot told them "the treasure
is in the well". Then Red Hair Beard jumped
in the well. He and Polly parrot escaped from
the bad pirate. In the morning Jim Lead and
Polly parrot ran back to the pirate ship
Blackhole. Jim Lead shouted breathless "Home
sweet home".
